

# SCHOOL IS COOL

## Felicitating young achievers

**T**he Aditya Birla World Academy organised its junior school annual awards day for the Year 2014-2015 at the Ravindra Natya Mandir. The ceremony was a double-celebration for all those present, as not only were the student's parents to witness their children's achievements, but grandparents were also invited to celebrate their joy.

This was the first time in the school's history, where two large events were brought together so that the whole family could get an opportunity to witness their little one's big moment. The annual awards day was inaugurated with the traditional lighting of the lamp, which was followed by a welcome note by the junior school head and the year-

ly report by the principal. The learners of junior school enthralled the audience with a few performances that showcased the various co-curricular activities that the children dedicated in hon-

our of their grandparents. Performances ranged from western singing ballads to Indian classical pieces, as well as a gymnastic sequence coupled with both Indian and western dance acts.

Students of grade V showcased their talents with a few stand-up comedy scenes. The certificates of appreciation were awarded to every child of the junior school for outshining in some of life's-most meaningful and significant attributes. The chairperson Neerja Birla addressed the parents and grandparents by highlighting the school's achievements in the academic years.
